PROFESSIONAL SUMMARY

Early-career HR professional with an MBA in Human Resources and Marketing, bringing hands-on experience across end-to-end recruitment, HR operations, and employee coordination gained through an HR internship and a current role in corporate communication. Skilled in candidate sourcing, job posting, resume screening, interview scheduling, and coordinating between recruiters, hiring managers, and candidates to ensure a smooth hiring process. Experienced in supporting recruitment drives and walk-in hiring events, maintaining accurate employee records and attendance data, and assisting with onboarding and induction for new hires. Proficient in preparing HR reports and trackers using MS Excel and Google Sheets, and skilled in using Canva and HubSpot to support employer branding and recruitment marketing campaigns. Known for strong communication, organizational, and interpersonal skills, with the ability to multitask effectively in fast-paced environments while maintaining attention to detail in HR documentation and compliance. Adaptable team player with a genuine passion for people operations, talent acquisition, and building positive candidate experiences, seeking to contribute these skills to an organization's HR function and supporting its overall growth and employee engagement goals.
